## The operational guidelines are as given below:

- The functionality is applicable to the Companies only for equity ISINs which are / were part of NIFTY50 or SENSEX30 indices and TOP 1000 and currently extended to NEXT 1000 companies in terms of BSE Market Capitalization as of June 30, 2023, as mentioned above.
- 2. The Demat accounts where first holder PAN is of non-designated person, but the joint holder PAN is of the designated person, still the specific ISIN in identified demat account will be frozen for both i.e. debit and credit at BO-ISIN level.
- 3. The freeze reason code no. "25" and reason description "Trading Window Closure Period" will be used for this BO-ISIN level freeze in CDSL depository systems.
- 4. During the freeze period no debit or credit will be allowed in the demat account of the designated persons for the specified ISIN as stated above.
- 5. DPS need to inform their clients accordingly.
- 6. Any trades done prior to "No trading window period" should be settled by way of giving early pay-in instruction in favor of their CM on the trade date i.e. T day itself.
- In case of any exemptions provided to be allowed to designated person during trading window closure period, the Designated Person / BOs & issuer need to update the exemption details in the system.
- 8. Demat accounts of designated persons who are provided with exemptions will be unfreeze on SOD of exemption start date and will be again freeze on the EOD of exemption end date. The settlement process as mentioned above needs to be followed.
- 9. Designated persons need to give early / normal pay-in instruction on the trade date itself, in order to settle the trade obligation and avoid the shares being auctioned.
- 10. Trading window closure freeze start date & exemption end date should be after 2 days from the last exempted trade date on exchange/s.

In view of the above, DPs are requested check DPE6 / DP57 reports for freeze details & update their Backoffice accordingly.
