#### **Sub: API Facility in NCMS FO\_ Update**

This is in continuation of NCL circular NCL/CMPT/54826 dated December 15,2022 regarding introduction of API Facility in NCMS FO for clearing members in UAT environment (for Trade download and actions inquiry) and subsequent circular NCL/CMPT/55778 dated February 25, 2023 wherein the API Facility in NCMS FO was released in live environment.

Kindly be informed that we have now introduced additional facility of “**Filtering Only Custodian participant (CP) Trades**” to enable clearing members to view trades executed by their CP clients only. This is being made available in the UAT environment with effect from April 07, 2023. (UAT link: <https://www.devconnect2nse.com/token>).

Members who already have access to UAT link can try using the additional facility and other clearing members who wish to access the UAT URL are required to send a mail with below mentioned details on “[api\\_ncmsfo@nsccl.co.in](mailto:api_ncmsfo@nsccl.co.in)”
