### INTRODUCTION OF NOMINEE MINOR INDICATOR FLAG

CDSL pleased to inform about introduction of “Minor Nominee Indicator” Flag in BO Upload and Client master report. With the introduction of this flag, it would be easier to identify Minor nominee records based on the flag, instead of based on Date of birth of nominee.

The Nominee Minor Indicator flag is optional and will have the following validations:

1. If the value is entered as “YES” then the Date of birth of Nominee will be mandatory and it should be less than 18 years and vice-versa.
2. If the value is entered as “NO” then the Date of birth of Nominee should be greater than 18 years or it should be left blank.

DPs to note that, there is no change in the file format, existing field Nominee minor indicator is used for implementing the changes mentioned above. For the file format and standard values, kindly download the catalogue version 1.0.11.3 from the location <https://www.cdslindia.com/DP/Harmonization.html>.

The above-mentioned change is scheduled for release on March 28, 2025. DPs are required to ensure that necessary changes in the back-office software are implemented before the release date.
