Madam / Sir,

**Subject: Amendment to Master Circular for Real Estate Investment Trusts (REITs) dated May 15, 2024**

**(A) Review of lock-in provisions for preferential issue of units for Real Estate Investment Trusts (REITs)**

1. Regulations 11(3) of the SEBI (Real Estate Investment Trusts) Regulations, 2014 ("REIT Regulations") *inter-alia* require the sponsor(s) and sponsor group(s) to hold a minimum of 15% of the total units of the REIT, for three years from the date of listing of units in the initial offer.

2. However, Para 10.6.1. of the Master Circular for REITs dated May 15, 2024, dealing with the lock-in requirement applicable at the time of preferential issue of units by a REIT, requires as under:

*"The units allotted to sponsor(s) and sponsor group shall be locked-in for a period of three years from the date of trading approval granted for the units: Provided that units not more than twenty-five percent of the total unit capital of the REIT shall be locked-in for three years from the date of trading approval:*

*Provided further that units allotted in excess of twenty-five percent of the total unit capital of the REIT shall be locked-in for one year from the date of trading approval.*

*Explanation: For the computation of the lock-in requirement, the units held by the sponsor(s) and locked-in for three years, in the past in terms of Regulation 11(3) of the REIT Regulations shall be taken into account. The units locked-in pursuant to Regulation 11(3) of the REIT Regulations shall not be put under fresh lock-in again, even though they are considered for computing the lock-in requirement, in case the said units are free of lock-in at the time of the preferential issue.”*

3. It has been represented by the industry associations to align the quantum of units required to be locked-in under the guidelines for preferential issue of units for REITs with Regulation 11(3) of the REIT Regulations applicable at the time of initial offer.
4. Accordingly, in order to promote ease of doing business and based on the recommendations of Hybrid Securities Advisory Committee (HySAC), Para 10.6.1. of the Master Circular for REITs dated May 15, 2024 is amended, as under:

*“10.6.1. The units allotted to sponsor(s) and sponsor group(s) shall be locked-in as under:*

  - a) *fifteen percent of the units allotted to sponsor(s) and sponsor group(s) shall be locked-in for a period of three years from the date of trading approval granted for the units;*
  - b) *the remaining units allotted to sponsor(s) and sponsor group(s) shall be locked-in for a period of one year from the date of trading approval granted for the units.*

*Provided that the sponsor(s) and sponsor group(s) shall comply with the minimum unitholding requirement specified in Regulation 11(3) of SEBI (Real Estate Investment Trusts) Regulations, 2014, at all times.*
5. Further, based on the request of industry associations and recommendations of HySAC with respect to permitting inter-se transfer of locked-in units among sponsor and sponsor groups, the following provision is inserted as new sub-

paragraph under Para 10.6 of the Master Circular for REITs dated May 15, 2024:

*“10.6.5. Units allotted under a preferential issue to a sponsor or its sponsor group entities which are subject to lock-in, may be transferred among such sponsor or its sponsor group entities, subject to the condition that the lock-in on such units shall continue for the remaining period with the transferee and such transferee shall not be eligible to transfer such units till the expiry of the lock-in period originally applicable to such units.*

*Explanation: In case of an REIT with multiple sponsors, locked-in units held by a sponsor or its sponsor group entities shall be permitted to be transferred only within such sponsor or its own sponsor group entities and not to any other sponsor or their sponsor group entities.*

*Provided further that in the event of a change in sponsor, the locked-in units held by the outgoing sponsor or its sponsor group entities may be transferred to the incoming sponsor or its sponsor group entities, subject to the condition that the incoming sponsor or its sponsor group entities shall continue to comply with the minimum unitholding requirements as specified under the REIT Regulations after such transfer.*

*Provided further that in case of conversion to a self-sponsored manager, locked-in units held by the outgoing sponsor or its sponsor group entities may be transferred to the self-sponsored manager or its shareholders or group entities of the self-sponsored manager, subject to the condition that the self-sponsored manager or its shareholders or group entities shall comply with the minimum unitholding requirements as specified under the REIT Regulations after such transfer.”*

**(B) Guidelines for follow-on offer by publicly offered REITs**

6. Regulation 14(3) of the REIT Regulations *inter-alia* provides follow-on offer as one of the mechanism for raising funds subsequent to issue of units after initial public offer and in the manner specified by the Board.

7. Regulation 2(1)(n) of the REIT Regulations defines follow-on offer as under:  
“ *“follow-on offer” means offer of units of a listed REIT to the public for subscription and includes an offer for sale of REIT units by an existing unit holder to the public;*”
8. It has been represented by the industry associations to provide a regulatory framework for undertaking follow-on offer by a REIT. They have also suggested a framework for undertaking fast track follow-on offer with the aim to make the fund raising more efficient.
