The Central Drugs Standard Control Organisation (CDSCO), a part of the Directorate General of Health Services, Ministry of Health & Family Welfare, Government of India, has introduced an online portal for CRO registration and renewal under the SUGAM Portal. The reason behind this move is to enhance transparency, enhance efficiency, and make the application process easier for clinical research stakeholders.

The key points in the process made available by CDSCO are as follows:

- Online applications for CRO registration and renewal are now to be filed through the SUGAM Portal.
- Applicants must complete Form CT-07B to renew and to register.
- New users will be asked to register on the portal and select the purpose of use as Clinical Research Organisation.
- Existing users are given the opportunity to apply for CRO from the user profile page.
- The user profile must be filled out before the form is submitted.
- Applicants should include information about accreditation, if any.
- The registration fee is ₹5,00,000, while the renewal fee is ₹1,00,000, payable online from Bharatkosh.
- A system-generated legal form must be downloaded, signed, and uploaded for final submission.
- Upon submission, an acknowledgment email will be sent, and the application can be tracked through the portal.
